

Richard Scott Wine

Order Form

Art, like wine, elevates the soul and sends the senses soaring. The artist, like the winemaker, draws inspiration from the shifting moods of the seasons, from the way they colour the landscape and bring an ideal and a vision to life.

Inspired by the globally acclaimed Cape artist, Richard Scott, the single vineyard Syrah is hand-sorted and hand-punched in small open vats, before being matured in French oak.

Only the best barrels are personally selected by Richard Scott to bring you this colourful Syrah with notes of white pepper, hints of wood spice, and a pallet of berries and soft, supple tannins.

The single vineyard Sauvignon Blanc has been left longer on the lees, having been harvested before sunrise and sorted by hand. Only the best of the wine is selected by Richard Scott, to bring you this distinctive green fig Sauvignon Blanc, brimming with colourful tropical fruit and juicy yellow pineapple and melon flavours.

Here's to art. Here's to wine. Here's to the good life!
