

## Francois Coetzee – *Bling Bling Alien Exhibition* – Worldart January 11 to 16, 2010, 6pm

Francois was born in 1987. His family also moved to Atlantis when he was a young child. Francois joined Justin as an assistant in Richard's studio in 2007.

Francois' work is clean cut and contemporary. In this body of work, he mocks what he refers to as the “bling bling” society and how both privileged and poor people seem to prioritise the need to flash the impression of wealth. It also suggests that perhaps these people are mocking the very wealthy with their overstating of all that glitters.
