Dear Richard

THE SOLSTICE BALL

On behalf of the Committee of the Solstice Foundation, please accept our very sincere thanks for the donation of your painting, 'Orgasmic Anna'. It was hotly contested on the auction, and raised an amazing R19,000. It is only with such generous contributions as yours that we are able to make the evening such a success.

With the proceeds from the auction we will be giving money to the Goedgedacht farm near Wellington, where they do amazing work with farm children. We will also be giving some of the proceeds to Operation Smile that performs operations on children with cleft palates. If you would like to know more about our work, you can also look at our website www.solsticesa.org.za

Thank you once again.

Yours sincerely.
